ADVANCED WORKSHOP

## SPRING 2012 ADVANCED CEQA WORKSHOP

The Spring Advanced CEQA workshop is designed to help consultants, regulators, applicants, and industry professionals stay current on legal trends, and “hot topics” affecting the application of the Law and Guidelines. The curriculum will focus on the following topics:

- Legal decisions affecting the way environmental documents are written
- Environmental streamlining for infill development
- Changes to the Appendix G Guidelines
- Water Supply plans and programs
- Roundtable discussion of legislative changes and proposed improvements to CEQA

(AICP-CM Credits will be available for the workshops.)
